Description

Here we have a fine quarter chiming or 'petite sonnerie' carriage clock by Henri Jacot . The fine gilded gorge case is substantial. The dial is perfect and free of any chips or hairlines. The movement strikes the hours and quarters with the addition of push repeat and alarm. The clock has the Jacot stamp on the back plate and the Jacot signatures on the reverse of the dial. The clock, the outer case and key are all numbered 4613. To find a petite sonnerie by Henri Jacot with original Key and Case is quite rare. A wonderful clock.
