Description

A rare and highly collectable boxed novelty cake knife, clearly made for a golf devotee. The knife is made from silver plate with the makers mark marked on the blade E C K & Co, I have been unable to find the identity of this silversmith. It is of course the handle which makes this the gem that it is, made from carved and polished Mother of Pearl in the form of a golf club. It is lucky enough to have been struck with an English design registration number for the year 1910, late Edwardian in era. Excellent condition making this the perfect knife for the wedding day of the golfer in your family. The knife measuring 10" x 1 1/4" and the box measures 11 1/4" x 2 1/2" x 1".
