Description

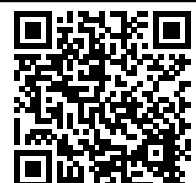

Lemuel Francis Abbott, 1760-1802 Portrait of William Woodville, MD, FRS, FLS, 1752–1805, Physician and Botanist William Woodville, MD, FRS, FLS, oil on panel, modello 20 x 17 cm . (8 x 7 in.) inscribed in sepia ink exetsively on the reverse "William Woodville, MD, FRS, FLS, /Physician to the Middlesex Hospital and Small Pox Hospital/ Born at Lowsward 1752 died in London 1805/ This portrait was the property of Dr Woodville's friend Dr Piel, and was bequeathed by him together with his own portrait to Joseph Steel esq of Cockermouth who's son Edward Steel presented it to Williamof Birkby Provenance Dr Piel Joseph Steel esq of Cockermouth Edward Steel Williamof Birkby Notes William Woodville, (1752–1805), physician and botanist, was born at Cockermouth in Cumberland, the fourth of the six children of William Woodville (1714–1758), and Jane Fearon (1723–1804). He came from a family of well-to-do Quakers, and was initially educated at a local grammar school. He began his medical training in 1767 with a short apprenticeship to William Birtwhistle, an apothecary. He later matriculated at Edinburgh University, graduating MD in 1775 with a thesis on irritable fibres. ...
