Description

1918 silver full hunter stem winding pocket watch. The watch has a stem winding movement which is working well. The movement is stamped 15 jewels, Swiss made. The movement is protected by an inner hinged cover. The watch measures 50 mm diameter excluding the stem. The silver case has London import marks for 1918 with the importers mark GS (George Stockwell). The case has light surface marks from use and mild bruising to the front cover but overall it is in nice condition for a 1918 piece. The acrylic watch lens has light surface marking from use although hardly noticeable but overall it is in nice condition. The watch has a double sunk white enamel dial which is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
