Description

A fine quality small sized French brass striking four-glass mantel clock, circa 1890. The high quality case with decorative mounts to the angles and cornices, bevelled glasses to all sides, pierced foliate engraved openwork mask to the front door and sides. The gilded Arabic chapter ring with conforming foliate mount to recessed centre. The fully restored spring driven twin barrel movement, striking the hours on a blued steel gong. Stamped to the backplate with Japy Freres Medallion and numbered 39703 AN Paris. Decorative twin jar sealed mercury compensated pendulum. Blued steel hands. This small sized high quality mantel clock is in fine condition with the movement fully restored by our FBHI and Worshipful Clockmakers Company awarded horologist.
