Description

A very elegant Vienna wall clock in a walnut and ebonised case. A white enamelled dial with black Roman numerals, subsidiary seconds dial and nicely cut hands. It is totally free of any chips, cracks or crazing. The 8 day, timepiece movement has just been fully serviced by our BHI staff and carries our usual 12mths guarantee. The brass weight and pendulum are in excellent order. The case retains it's original, beautifully french- polished finish with a lovely warm, rich patina. It has a particularly attractive carved pediment to the top and finely turned pillars to the sides of the canted door. Complete with original cranked winding key. A little gem. All cards accepted.
