Description

A 1920s Tacy pocket watch. The name Tacy is a combination of TAvannes and CYma. The watch has a good quality stem-winding movement which is working nicely. The watch measures 45mm diameter excluding the winding stem and the loop. The case is gold filled and was made for Tacy by the American Watch Case Company of Canada. It is nicely decorated and has stripes to the screw-on case back, together with a vacant cartouche. The case and the lens are in nice condition. The dial is signed Cochenthalers, a Montreal jeweller. The dial is in good condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box. Free worldwide shipping
