Description

A late 18th Century oak Lowboy with an arrangement of 3 drawers below a moulded edge top, set on attractive cabriole legs. It is a good size and is particularly deep. It has been well made and well looked after but as such has had some historic repairs in its lifetime including repairs and one replacement to worn down feet and a replacement top at some point. However it is in very good condition and is strong and sturdy with a beautiful rich patina. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free delivery within 10 miles of Ashburton, Devon.
