Description

Pair of early C19th lead planters or jardinieres of tazza form raised on unusual triple pacing lion supports. Smart pair of circular bowl lead garden or terrace planters on reeded socle bases surmounted by three pacing male lions supporting a dished bowl with moulded decoration and integrally cast decorative handles to the sides. Nicely-weathered silver colour, in good stable condition with some minor wear and misshaping as to be expected. Have experienced some exposure to the elements but have until recently been housed in a country-house orangery. Smart pair of decorative jardinieres which would work equally well in an interior or exterior scheme. H 12" W 15" D 13" England or France c. 1820
