Description

A very old 19th century Danish pine wall hanging corner cupboard, that dates from 1850, and in excellent condition for its age. The cupboard is barrel fronted, and has a two bow shaped shelves inside - one is full depth and the other is half depth. There are some hanging pegs on the underside. A very attractive piece of furniture that would work well in a bathroom (medicine cupboard) or cloakroom/utility, as well as in a sitting room/hallway (key cupboard) etc. Recently stripped to the bare wood, it is now ready for waxing or painting. If you would like us to paint it for you, then please us for a quote. Height 35", width 33", depth 24.5"
