Depth = 47 cm (18.5")

Description

Mahogany bow fronted small linen press This mahogany bow fronted small linen press would have been first made in the first half of the 20thc. A quality piece like this would have been made in a exclusive workshop, to be then retailed by a high end retailer, perhaps Harrods. The pair of doors with oval panels of flame mahogany, that open to reveal a shelf and full storage. The flat top is finish in mahogany with a delicate banding running along the outside edge. We call this a linen press, but it was made for many uses, including as a drinks cupboard. Below the cupboard top is a chest that is fitted 2 short above 3 long drawers below. (The term 'short drawers' mean width not depth) All the drawers are fitted with their original oval brass handles. 83cms wide (32 1/2ins) 47cms deep (18 1/2ins) 159cms high (62 1/2ins) All measurements approximate UK mainland delivery £75+vat
