Description

A nice matching pair of small French Kingwood tables dating from the early 20th Century - perfect as bedside tables or lamp tables. They are very elegant with shaped tops with pretty parquetry design and ornate brass embellishments on the feet and edges. Both tables are in good condition for their age. They are sturdy and free from worm. They have been cleaned and waxed and display very nicely. There are some minor chips and scuffs and small knocks around the edges and some small discoloured marks but nothing untoward or detrimental. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton.
