Description

French c19th yellow glazed terracotta water jug, Cruche Orjol, with its original lid and in good condition. Tricky to find, especially with the lid, great decor piece but I have tested this, it is water tight, so you can use it if you wish...! Great colour for display, the condition is good, some chips here and there, but as you can see from the photos, it's good. Measuring: 13" or 33cm high 9 1/2" or 24cm max width 4 1/2" or 11cm base diameter I can arrange for this to be posted out to you after purchase, usually by courier, or you may prefer to collect it yourself from me here in Uppingham, Rutland
