Dimensions

Height = 188 cm (74.0")

Width = 104 cm (40.9")

Depth = 1 cm (0.4")

## Description

A fine antique Qasgai tribal rug from the Fars region in South Western Persia. Super little rug, tightly knotted, with very good clear natural dyes. A rug that should appeal to both decorators and collectors. These small format tribal rugs have become scarce over the last few years. This one is in very nice clean condition, even low pile all over, just minor touches of top flight repair to corroded brown guards.
