

SA543053

1903 Waltham pocket watch and horse hair albert

Price

Sold**Item Reference: SA543053****Date of manufacture: 1900**

Description

A Waltham Traveler pocket watch, 1903, with horse hair albert. The watch has a stem-winding movement, Traveler grade, which is working nicely. The movement is signed with the Waltham name and the serial number 12,737,818 which dates it back to 1903. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding crown and the loop. The case is gold plated and was made by the Dennison Watch Case Company, based in England and a prolific case manufacturer who supplied various watch factories. The front of the case is in good condition while there is some unevenness to the back. The watch lens is glass and is in good condition, just a faint ring running around the perimeter if you look closely. The dial is in good condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a Victorian horse hair single albert. The watch and albert will be sent in a new presentation box. Free worldwide shipping
