Description

Late C19th mahogany and tooled leather 3-fold room-divider or screen . High-quality Aesthetic Movement period screen of free-standing double-sided form . The 3 mahogany framed panels each joined by brass pinned 'rule' joint hinges providing maximum movement and flexibility. The surrounds of the frame with reeded details. The top half of each panel inset with a tooled and embossed gilded leather panel to each side . The leather tooled with a floriate ivy-leaf design surrounded by decorative embossed borders . The lower halves of each section with slatted and joined mahogany panels. Richly-patinated quality mahogany timber creating a substantial 3-fold room divider or screen . The leather panels of pleasantly worn patina and surface . The central panel having more wear but essentially not compromised . H 74" W (each panel) 22" D 2" England c. 1885

Internal Ref: ML 185
