Description

Antique French 8 Day Finely Pierced Embossed Cast Bronze Mantel Clock. This clock is a stunning antique french original cast bronze mantel clock. It has its amazing ornate look to it all in excellent original condition for age. Totally original finish to the bronze case as you can see from the pictures. The case is constructed from a good quality solid cast bronze. A superb colour to it which looks even better in the flesh. The clock has large proportions. A stunning pierced and embossed design and superb proportions. The decoration is very finely pierced with some superb engraved embossed designs which give an amazing ornate display look. The clock is of high quality please do not mistake it for cheaper versions. This is one of the very best I have ever had the pleasure to own and is in excellent totally original condition with no damage and is exactly how you want to see it. It has a beautiful porcelain enamel dial with Roman numerals and original hands, the dial is in excellent original condition with all the numerals being bright and vibrant. The clock has an 8-day french bell striking movement with an anchor escapement, the movement is in full working order keeping...
