Description

Very nice quality and fantastic size French mahogany Gueridon table, circa 1840. Beautiful feather grain mahogany throughout the pedestal base of the table, scrolling and lions paw feet below the balustrade centre column. The original marble has a shaped edge and is in excellent condition. Great colouring and a great size, slightly smaller than the average gueridon tables, so this is easier to place perhaps...ideal in a hall, but at this size can easily fit as a window table, side table or lamp table. Good condition throughout and a very decorative piece. Measuring: 27 1/2" or 70cm high 31 1/2" or 80cm diameter Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
