Description

This really is a favourite of ours! Gorgeous Italian, 1930's walnut and Macassar ebony sideboard. Features masses of internal storage, with a shelved cupboard and lots of drawers, all of which run smoothly and retain their original bakelite handles. The woods used are of the highest quality and the overall style is typically Italian design. This piece certainly wasn't made for the mass market. This piece comes to you in excellent condition having been lovingly restored by our team. Lot of uses, either as a sideboard, entry way table, even possibly a bedroom piece as a chest of drawers.
