Description

Well these bad boys don't turn up very often so we were delighted when we found this. Not to be mistaken for the repro Egyptian Art Deco that's been doing the rounds for few past years. This is a genuine piece, sourced just outside Paris. Features a Walnut veneered U base with maple blonde accent to the base center. The top is maple again, lovely blonde colour that contrasts beautifully with the darker wood. Original chrome bar handle. We have just had this back from our restorer and so comes to you in excellent showroom condition.
