Description

Set of eight George III period mahogany dining-chairs; six side-chairs and two elbow-chairs with reeded frames, X-shaped splats and overhanging top-panels; the stuff-over seats covered in green velvet and on turned legs. These chairs were sold by us some 20 years or so ago. Since then there has been wear on the covers and upholstery. At the moment the chairs are perfectly serviceable but certain buyers might like to have them re-covered and re-upholstered and we are happy to discuss this. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November. Open 9.00am – 5.00pm, Tuesday to Friday, 10.00am - 4.00pm on Saturday. A prior phone call or email before visiting is always a good idea and we are happy to be contacted outside of business hours.
