Description

A Victorian Elm Oxford scrollback, in very good condition. This particular chair is a Windsor armchair (grandfather chair). It is a very comfortable seat. Would make a lovely bedroom or bathroom seat, or situated on a landing or hallway. It hasn't been made to use with a table (from its smaller than average height), we think it would have originally been sat by a fireplace. Height 32", seat height 15.5", width 18", depth 17.5"
