Description

Very decorative pair of antique bronze urns signed by L. Moreau. I'm not sure if they are actually bronze or bronze finished metal. What ever they are, the patina is great, plus the details & the figures are very nice. They sit on original marble plinths which are quite colourful. I would date these urns to around the 1890's period & they are in good condition throughout. Width - 6 inches, 15 cm Height - 12 inches, 29 cm
