Description

A wonderful quality example from the famous silversmith, Sampson Mordan, highly sought-after and prized. The solid or sterling silver cup is removable with a gilded interior to protect the silver. It is beautifully decorated with top-notch engine-turning with a circular vacant cartouche to the front, which could be engraved if desired. There are two clear hallmarks, one on the cup and another on the silver top, both matching for London 1891 together with the makers mark S M & Co, making this a true Victorian example. The top is the bayonet type fitting requiring a turn and lift action to open, the hinge is in perfect working order. A most attractive shape and in excellent condition, measuring 5 3/4" x 3 1/2".
