Description

Well, what a remarkable find! This English sterling silver hat pin is clearly hallmarked for Birmingham 1909, so Edwardian in period; the makers mark is rubbed and rather hard to read. I was uncertain when I purchased this whether this was a bear or a cat; I think it does look like a bear jumping through a hoop. The piece remains in excellent condition and measures 5 3/4" in length. Item ID: 30840 ----- FREE Worldwide Registered Airmail, Insurance Optional.
