Description

A gents Omega wrist watch, 1954. The watch has a hand-winding movement, calibre 266, which is working nicely. The movement is signed with the Omega name and the serial number 14,382,033 which dates it back to 1954. The watch is a good size at 35mm diameter excluding the winding crown and the lugs. The case is stainless steel and is in good condition with just light pitting across the back. The inside of the case back has the Omega triangular stamp and the case reference 2750-8 which is correct for the calibre 266 movement. The winding crown has the Omega logo. The lens is in good condition. The signed dial has some marking as shown in the photos. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
