Description

Having had many of these Victorian correspondence boxes over the years, I have never had another in this shape before; most unusual. Created to be mounted on the wall the caddy has a central divider and the brass engraved for each side "Post" and "Delivery". These wonderful pieces would have been in a smart hotel, private club or aristocratic residence and mail placed in the box for taking either to the post office or hand delivered; very civilized! The front brass plate is highly decorative with it's pierced or reticulated and engraved detailing. Excellent condition and measuring 10 3/4" wide x 5 3/4" tall at rear. Item ID: 30806 ----- FREE Worldwide Registered Airmail, Insurance Optional.
