Description

Charming little antique pine bedside cupboard that has been recently stripped of its original paint, exposing a lovely clean bare wood. Dating from c.1915, it is in very good condition throughout. Ready for waxing or painting, or you can buy it as it is seen here, in the bare wood. There is some decorative carving to the sides, a small drawer at the bottom and three shelves inside the cupboard. The door opens fully which is very useful when accessing the cupboard. This piece of furniture would also make a great bathroom storage cupboard, or toy cupboard. It is also a nice height to use as a telephone / lamp stand in the hallway. Price includes waxing.
