Description

A gents 14ct gold Lanco wrist watch by Langendorf, 1958. Langendorf was a well respected Swiss watch making company and they traded for exactly 100 years from 1873. They used several brand names including Larex, Lancyl and from the late 1950s, Lanco. The watch has a hand-winding movement, a Langendorf 1027, which is working nicely. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is 14ct gold and there are Swiss hallmarks on the back of the watch, together with British hallmarks for London 1958. The case is in good condition. The lens is in good condition. The signed dial is in lovely condition and has dauphine shaped hands, a centre seconds hand and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box. Free worldwide shipping
