Description

A 1920s Ramson full hunter pocket watch. The watch has a nice quality Swiss, 15-jewel stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch itself measures 50.7mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marks from use and a mild dent to the back cover but overall it is in nice condition. The winding crown pushes in to open the front cover. Inside there is a glass lens which is in nice condition. The white enamel dial is signed Ramson (possibly a retailers name). The dial has a faint hairline crack between 4 & 5 o'clock but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
