Sold

Item Reference: SA548458

Date of manufacture: 19th Century

Dimensions

Height = 163 cm (64.2")

Width = 31 cm (12.2")

Depth = 31 cm (12.2")

Description

A fine 19th century pair of Corinthian columns carved from oak these columns dismantle into three sections and would make fantastic mantle supports for a large fire place or even converted into a pair of large torchere stands. The carving is very good quality and they have a lovely rich dark patina, there are a few scuffs here and there and some old fine splits but the overall condition is very good.
