Description

This pair of French antique gilt wood armchairs are wonderful quality & in excellent original condition. They have very generous proportions & have just been re-upholstered in a neutral fabric. The frames are beautifully carved all over & the carvings are deep & well defined. The gilding is in good original condition with some natural wear showing in places, which give the gilding plenty of character. I would date these chairs to around the 1820-50's period, but they could be older than that, judging from the quality. The frames are structurally sound & sturdy. Please enlarge all the images to see all the fine details & carvings on the frames. Width – 28 inches, 69 cm Depth – 25 inches, 60 cm Height – 40 inches, 100 cm Seat height – 18 inches, 46 cm
