Description

A large children's pine wardrobe with double doors and plenty of hanging space. It totally dismantles for delivery and access. It dates from around c.1900, and is in excellent condition for its age. It has recently been stripped to the bare wood, ready for waxing. There is some nice carving detail to this wardrobe - a very classic piece of furniture that would compliment any child's room, or spare room. We have classified this as a child's wardrobe due to its shallow internal depth (17"), accommodating smaller hangers. Height 71", width 52", depth 22.5", internal depth 17"
