Description

Small Gothic Carved Oak Green Man Buffet with Cupboard. This is a very fine and beautifully carved example of furniture in the Gothic style or Green Man Oak. The buffet has a shelved cupboard at the bottom enclosed by 2 doors and a high top with 2 drawers beneath. It has many faces carved into it, there are 2 angelic putti faces, one on each drawer front, 2 very fierce Green Man faces one on each door front and there is a handsome caryatid on the columns on each side of the doors. There are many more superb carvings, fruits of the forest and leaves on the front. This is a handsome cupboard, the quality of the carving is absolutely superb and it is in good condition with a fantastic patina. The Buffet would work very well in a dining room as a server or as a drinks table, but it certainly has that stand alone presence and would look superb in an entrance hall. This is a superb piece of Green Man Oak and dates from around 1870. It is in fine condition for its 150 or so years of age. The buffet stands 46" high, 39" wide and 20" deep. TKW38.
