Description

An utterly charming 19th century MINIATURE PORTRAIT of a particularly beautiful young woman. Apparently unsigned and possibly (though not necessarily) Continental, she is very finely portrayed with her long, dark curled hair draped across her shoulders, whilst she wears a startling gold silk dress and pearl drop earrings. Her hazel eyes are particularly finely painted ~ she is a seriously beautiful woman and the artist has caught this very well. 8ins x 7ins (20.5 x 18cms) including the original deep gilded frame.

Internal Ref: 1737
