Description

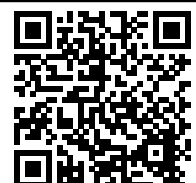

GILLOWS of LANCASTER: a lovely quality solid rosewood FLOWER or CROCUS TABLE in fine condition. Typical of Gillows quality, the solid carved gallery top incorporates a removable lid (accessed by a brass push button) which reveals the shallow compartment below. With bead-and-dart moulding around the frieze, it is supported on a fine turned column leading to a gadrooned collar and beautifully carved tripod legs and feet. 32ins (81cms) high. ***The purpose of these unique tables was to allow crocus bulbs to remain dormant in the zinc tray under the lid. A couple of weeks before a significant party or ball, the top would be removed and the bulbs watered. In this way the bulbs came fully into bloom in time for the important event!
