Description

A pair of small Victorian bronze vases or urns with the original lids. They are highly decorative and well made and weigh approximately 0.75kgs each. It's difficult to show the very fine details in photographs but the flowers and birds are clear and detailed. The vases measure approximately 15cm in height and 15cm across at the widest part, and there are no signs of damage or repair anywhere on either of them. Postage and packing within the UK mainland only is included in the price and for outside areas or abroad, please contact us for a delivery quote.
