

SA54973

ANTIQUE BAROMETER

Price

Sold**Item Reference: SA54973****Date of manufacture: 1800**

Description

A GEORGIAN MERCURY BAROMETER with an arched pediment. A brass dial with makers name 'Cox' engraved at the top with a single slide scale. A turned cistern cover. Good mahogany veneers to the case. There are a few makers by the name of Cox recorded in Banfields 'Barometer Makers and Retailers' book. This is likely to be Joseph Cox of London who worked at the Barbican from 1820. Height 37" / 93 cms
