Description

A beautiful original wall mirror dating from the 1930s. Typical Art Deco styling and shape with surrounding panels of peach glass which add a lovely subtle splash of colour. The glass is completely original and has foxed and spotted in places with age, giving it a fantastic slightly distressed look. It has a thick wooden back and a strong chain for hanging. It has a paper maker's label on the back for 'Essenco Mirrors'. It is in excellent condition for its age. There are no major damages on the glass and it displays very nicely. The mirror has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £40.
