Description

A superb country house riding boot and whip stand, dating from the early to mid 19th century. It is made of mahogany with a simple frame, elegant turned knobs for the whips and a slotted central board for the boots. Free-standing double sided form set on raised shaped feet. Good condition overall with a lovely rich patination. Some minor signs surface marks and signs of age and use but nothing detrimental. Some old repairs to breaks on the boot slots (see photos) but now strong and sturdy. It has been gently polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton, Devon. London delivery £40.
