Description

Antique pine cupboard in very good order throughout having recently been stripped of its original paint, exposing a lovely clean and tidy bare wood. Dating from around c.1920, it is now ready for waxing or painting. We believe this to have been used as a storage cupboard in a farmhouse kitchen. The rail, at the side, is useful for a hand towel or tea towel and the sliding chopping bread board is a great feature! This little cupboard would also work very well in a bathroom. Height 26", width 26.5", depth 17.5"
