Description

A rare item of Victorian silver and glass. This interesting piece is a tubular glass container with rounded base and top. The silver mounts are hinged and open to allow access. The dimensions suggest a toothpick holder, but the container may have had other uses. An unusual and rare collector's item. Dimensions below. Postage and packing £8.00 £16.00 Worldwide Condition :- Excellent, with no dents or splits to the silver. The glass has no cracks or chips, just some surface scuffs, commensurate with age and use. Hallmarks :- Softening, but marked on both silver mounts and therefore readable. Date :- London 1893. Maker :- J M Banks. Length :- 9 cms. Diameter :- 2 cms.
