## Description

Very impressive antique flame mahogany dressing table, complete with the original fully adjustable bevelled mirrors. These kneehole dressing tables are becoming very hard to find these days, because the majority have been turned into desks. This dressing table is in excellent original condition, with fine carvings, original brass handles & well shaped legs. The drawers are all graduated in depth & the flame mahogany pattern runs through all the drawer fronts. The top surface has a lovely pattern within the wood. This dressing table has a lovely shape all over. I would date it to around the 1920's period. Width - 48", 122 cm Depth - 22", 54 cm Height to mirror - 65", 164 cm Height to table top - 30", 75 cm Knee height - 24", 60 cm Knee width - 20", 50 cm
