## Description

This is a large antique mahogany pedestal desk of high quality & in very good condition. It has graduated drawers to the front, panelled sides & a polished panelled back. The drawers all have original brass handles & locks. The right hand bottom drawer is a double filing drawer & has dividers inside. This desk has a hand coloured tooled leather writing surface with lovely antiqued colours. It has a gadrooned top edge, fluted sides & sits on carved claw & ball feet. The carvings are very good quality. Although quite large, this desk comes apart into three sections, so can be transported very easily. I would date it to around the 1890-1900 period. Width – 61", 153 cm Depth – 37", 92 cm Height – 31", 77 cm Knee height – 23", 59 cm Knee width – 25", 65 cm
