Description

A 1920s Elgin full hunter pocket watch. The watch has a stem-winding movement, grade 292, which is working nicely. The movement is signed and the serial number 25292888 dates it back to 1923. The movement is protected by an inner hinged cover. The watch measures 51mm diameter excluding the stem, crown and loop. The case was made by the Keystone Watch Case Company and is gold plated, it has light surface marking from use but overall it is in nice condition. The winding crown pushes in to release the front cover. Inside there is a glass lens which is in nice condition. The signed dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
