Description

Very impressive antique Queen Anne style burr walnut drinks cabinet dating to around the 1920's period. The burr walnut veneers have wonderful patterns & are all over the front & the sides. The hand carvings are also exceptional around the top, bottom & on the legs. This cocktail cabinet was purpose made for the job, so has everything you would need inside for a drinks cabinet. The top half has an etched mirrored back, shelves & racks on the doors for glasses. It even has a very useful pull out slide for saving drinks on. The bottom half is basically for storing the bottles & other items. There's also a small drawer in there too. The door fronts have etched brass hinges & escutcheons. The side edges are also chamfered. This cabinet is quite large & heavy, so fortunately it splits into two sections for easy transportation. Width – 42 inches, 105 cm Depth – 20 inches, 50 cm Height – 74 inches, 186 cm
