Description

Great decorative pair of French kingwood and marquetry side tables or "etagere" with good quality brass ormolu moulding and a 3/4 gallery to the top. You will notice the table to the right has different legs to those of the table to the left...the table on the right seems to have been altered at some point in its lifetime, but they work very well with the table style wise. Also, more noticeable when they stand together like this, whereas not so noticeable when in place at home either side of your sofa perhaps...?! The quality is very good and they are very well made, good condition, very decorative and can free stand as sofa tables or lamp tables. Priced as a pair 24" or 61cm high 17" or 43cm wide 13 3/4" or 35cm deep Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
