Description

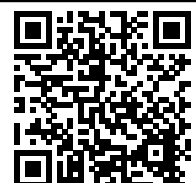

Fully restored and serviced with a 12 month warranty. This is a very fine example of a gents wristwatch made by the world renowned premier Swiss maker Omega. The watch is the legendary calibre 30T2 15 jewels manual wind movement which is regarded as the finest manual wind movement ever made by Omega and was issued to the allied forces during WWII, as you can see it is in fabulous condition. The sub seconds dial is in superb condition, it has peacock blue steel hands and the winding crown has the Omega logo. A new glass has been fitted and the case has been professionally polished so it is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality wooden presentation box. The heavy solid stainless steel case is fully marked and the serial number on the movement dates it to 1948. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been ...
