Description

Very attractive antique pine wardrobe with three doors, one of which (centre door) is a mirror. It is in very nice order throughout, having recently been stripped to the bare wood. It is now ready for waxing or painting. There are three bottom drawers with brass handles, and a very nice decorative crown top. Inside the left-hand side door there are three shelves on adjustable bearers, so they can be moved to desired height. Alternatively we can remove the shelves and add a hanging rail for you. Inside the centre and right hand side of the wardrobe is a hanging rail and top shelf. The internal depth is 22" (hanging space), so nice and deep for large coat hangers. As with most of our larger wardrobes, this one totally dismantles for delivery. Height 80.5", width 65.5", depth 24.5", internal depth 22"

Internal Ref: Y7709D
