Description

Lovely French c19th gilt mirror with moulded frame and fabulous old blemished glass. The mirror can be hung either as you see it here, landscape, or portrait. The frame is in good condition with just the usual nibbles to the gilt frame itself, the frame being mounted to a very good solid board back so all secure. The original glass is obviously blemished, which I am a huge fan of, but you may prefer to replace it, very easy to do so if you wish. Good size mirror, will hang in any number of places, measuring: 23" or 58.5cm x 27 1/2" or 70cm. Delivery to most England, Wales and Scotland addresses at £55, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland.
